

COP 4934 – Summer 2026

Group 11

Meeting Agenda

Date: July 27, 2026

Time: 8:00 pm

1. Upcoming Due Dates:
 - i. Sunday 8/2 – Final Design Document
 - ii. Sunday 8/2 – Debugging Quiz
 - iii. Sunday 8/2 – Ethics Quiz
2. Check Discord regularly for the next week in case more information is needed for the Final Design Document.
3. Meeting for next semester: Please share your schedule for next semester and let's schedule a meeting for the 1st week of the semester. Afterwards we can figure out a regular meeting schedule for the semester.
4. Still need to prep 2nd email to the Lee County Public Information Office requesting permission to use their public API. This time, explain in detail how we plan to use the public API.
5. Individual sections for Introduction and Project Characterization chapters have been sent. Only changes to pre-existing write-ups that Phillip is aware of are:
 - i. MVP Cluster Feature
 - ii. MVP Animation Feature
6. Sections remaining to be completed for Final Design Document:
 - i. Executive Summary – overview of what's covered in the document, findings, and decisions.
 - Each group member to prepare 1 paragraph
 - ii. Project Description section (0.75-pages)
 - iii. Issues Related to Project section (0.25-pages)
 - iv. Heat Map MVP and Stretch Goals update
 - v. Heat Map Conclusions section
 - vi. Setbacks sections
 - Each group member to prepare 2 setbacks
7. Everyone to review the assignment requirements for the Final Design Document.
8. Phillip will plan to combine the documents on Wednesday and submit shortly after.
