

COP 4934 – Summer 2026

Group 11

Meeting Agenda

Date: July 21, 2026

Time: 4:00 pm

1. **Upcoming Due Date: Monday 7/27 – Final Design Document**
2. Last Meeting: Next week for Sprint Review of Final Design Document and to discuss the plans and coordination for break between Summer and Fall semesters.
3. Class Schedule: Done with lectures!
4. No-Lecture Weeks: 7/21 + 7/23; 7/28 + 7/30
5. Lee County granted permission for the group to use the public API. I told them that we'd limit our data collection to 5 devices. Waiting on response from the Professor before continuing data collection using search API.
6. Sprint 4 is ongoing for Final Design Document and Prototypes. Whatever is remaining of prototypes backlog items will be moved to Product Backlog after Sprint 4 is completed.
7. Discuss today's Check-In with the Professor.
8. Discuss upcoming assignments (refer to table below).
 - i. Last journal entry
 - ii. Final Design Document
 - Refer to outline and templates (there are 4 templates) sent in Discord
 - Review Webcourses assignment page for submittal requirements
9. Discuss the templates:
 - i. There are 4 templates:
 - Introduction and Project Characterization Sections
 - Design and Testing Sections
 - Conclusions Section
 - Administration Section
 - ii. Remove 1st person references
 - iii. Headings in the template
 - iv. Normal style in the template
 - v. Figure/table caption procedure
 - vi. Figure/table reference procedure
